

Tic Tac Toe

This project is rated **VERY EASY** to do.

What You Need

- Cardboard
- Construction paper
- Popsicle sticks
- Scissors
- Ruler
- Pencil
- Glue

How To Make It

1. Cut a piece of cardboard into a 6x6" square.
2. Lay four Popsicle sticks across it like a Tic-tac-toe board and then glue them down. You may have to cut the Popsicle sticks so there are no cracks.
3. Fun Ideas:
 - Take any colour of construction paper (let's say it's Easter). Cut out eggs as your pieces. Make 10; 5 any color for one person and 5 another color for the other person.
 - You can use Chips.
 - You can colour your cardboard.
4. Next, Play tic tac toe!!!!
