- 3.0) I, the Applicant of this Permit, do hereby understand the following:
- a.) This Permit will be issued when all Reviews have been approved or the Building Inspector may issue the permit subject to approvals which have not yet been approved.
 - b.) It will be the Applicant's responsibility to meet all conditions for all Plan Review Approvals which have either been or not been approved.
 - c.) If a Engineered Grading Plan has not been submitted with this application, then the Civil Engineers from Public Works and Planning and Zoning will determine if an Engineered Grading Plan is to be submitted. They will contact you on requirements.
 - d.) Work cannot commence until the permit is issued by the Building Inspector and all fees have been paid.
 - e.) This permit is subject to conditions set-forth by the Building Inspector and/or his plan reviewers.
 - f.) Kentucky Building Code, Current Edition with referenced codes and City Ordinances will govern this permit.
 - g.) Phase 2 Erosion Prevention & Sediment Control practices will be implemented during all phases of construction as defined in City Ordinance 21-2.03.
 - h.) A list of Sub-contractors is to be submitted to Occupational License Division prior to the issuance of this permit.
 - i.) To the best of my knowledge all information given herein is true.
