PLANNING TODAY FOR TOMORROW
The Tree Advisory Board is an organization that was founded by the City of Bowling Green, Ky in 1994 and serves as an advocate for urban forestry. Through our numerous educational efforts and annual events, we help to educate the public about the benefits of well maintained trees and how to grow trees in our city to provide these benefits. We continue to have a positive effect on all of the residents of our city and help make our city a more attractive destination for visitors.

The Tree Advisory Board meetings are scheduled for January 27, February 24, and March 23. Meetings are at 4:30 p.m. at Bowling Green Parks and Recreation Community Room, 225 East Third Avenue.

In addition, we conduct the City’s Annual Arbor Day celebrations to help make the public aware of how trees benefit us. This year’s Arbor Day celebrations will be held, April 18, 2020. We encourage everyone to spend time among trees and learn about proper tree care and planting. There will be activities for children and adults such as a bicycle rodeo, inflatables, face painting, drawings for prizes, educational materials, and, of course, free trees (limit 2 per person) for everyone!

We are proud to announce that we will now offer Bocce as one of our Winter/Spring Sports. Bocce is an Italian game and it considered “lawn bowling.” The basic principle of the sport is to roll a bocce ball closest to the target ball, which is called a palina. Bocce as a Special Olympics sport provides people with special needs the opportunity to have social contact, develop physically and to gain self-confidence. Next to soccer and golf, bocce is the third most participated sport in the world. If you’re interested in learning about the sport or participating, please contact Holly Vincent at 270-393-3480 or holly.vincent@bgky.org.
