

MUNICIPAL ORDER NO. 2020 - 150

**MUNICIPAL ORDER APPROVING THE
DISADVANTAGED BUSINESS ENTERPRISES
(DBE) PLAN FOR THE CITY OF BOWLING GREEN
TRANSIT PROGRAM AND AUTHORIZING ITS
SUBMISSION TO THE FEDERAL
TRANSPORTATION ADMINISTRATION (FTA)**

WHEREAS, the Federal Transportation Administration (FTA) has been delegated authority to award federal financial assistance for transportation programs; and,

WHEREAS, the City of Bowling Green has been designated a small urban area because of the 2000 census; and,

WHEREAS, the City of Bowling Green receives FTA funds for the operation, planning and capital expenses related to the Bowling Green Transit Program; and,

WHEREAS, the Transit Program is currently administered under contracts with RATP Dev USA Inc. and Community Action of Southern Kentucky effective through June 30, 2023; and,

WHEREAS, the Federal Transportation Administration requires that all transit programs receiving federal assistance adopt a Disadvantaged Business Enterprise (DBE) Plan in order to outline the policy and procedures for providing opportunities for disadvantaged businesses; and,

WHEREAS, it is in the best interest of the City to adopt this final document.

NOW, THEREFORE, BE IT ORDERED by the City of Bowling Green, Kentucky as follows:

1. The City of Bowling Green Disadvantaged Business Enterprise (DBE) Plan for the City of Bowling Green Transit Program, a copy of which is attached to and made a part of this Municipal Order as if copied in full herein, is hereby approved and adopted.

2. The Mayor and all other appropriate City officials are hereby authorized and directed to execute and submit any and all documents necessary for the Disadvantaged Business Enterprise (DBE) Plan, and the City Manager is to act for and in the name of the City throughout the administration and

(Municipal Order No. 2020 - 150)

performance thereof.

3. This Municipal Order shall be in full force and effect upon signature and recordation.

RE: DBE Plan Approval

Included in the September 15th, Commission Agenda is a municipal order approving the Bowling Green Transit Program, Disadvantaged Business Enterprise (DBE) Plan. The Plan is required for all organizations receiving Federal Transit Assistance and must be updated every three years. The attached plan outlines the policy and procedures for DBE opportunities and the methodology for calculating our annual DBE goal.

The City of Bowling Green contracts for the management of the transit system; currently RATP Dev USA Inc. provides management services and Community Action of Southern KY (CASK) provides operations services. CASK procures services for the transit program and attempts to meet the established DBE goal of 2%. The goal is posted on the City's website.

If you have additional questions or concerns please feel free to contact me.

City of Bowling Green

DBE Plan

for the

GO bg Transit System

Updated – September 2020

City of Bowling Green DBE Program

Policy Statement

Section 26.1, 26.23 Objectives/Policy Statement

The City of Bowling Green established a Disadvantaged Business Enterprise (DBE) program in accordance with regulation of the US Department of Transportation (DOT), 49 CFR Part 26 As a condition of receiving Federal financial assistance from, the City of Bowling Green has signed assurance that it will comply with 49 CFR Part 26.

It is the policy of the City of Bowling Green to ensure that DBEs, as defined in Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is our policy:

1. To ensure nondiscrimination in the award and administration of DOT-assisted contracts;
2. To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
3. To ensure that the DBE program is narrowly tailored in accordance with applicable law;
4. To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
5. To help remove barriers to the participation of DBEs in DOT assisted contracts;
6. To assist in the development of firms that can compete successfully in the marketplace outside the DBE program.

The Purchasing Agent, Marilyn Parrigin, has been delegated as the DBE Liaison Officer. In that capacity, Marilyn Parrigin is responsible for implementing all aspects of the DBE program. Implementation of the DBE program is accorded the same priority as compliance with all other legal obligations incurred by the City of Bowling Green in its financial assistance agreements with the Department of Transportation.

The City of Bowling Green has disseminated this policy statement to its Board of Commissioners and to all components of our organization. We have distributed this statement to DBE and non-DBE business communities that perform work for us on DOT-assisted contracts via US mail and/or electronic mail.

Bruce Wilkerson
Bruce Wilkerson, Mayor

Sept 15 2020
Date

Subpart A- General Requirements

Section 26.1, 26.23 Objectives

The objectives are found in the policy statement on the first page of this plan.

Section 26.3 Applicability

The City of Bowling Green is the recipient of federal transit funds authorized by Titles I, III, V, and VI of ISTEA, Pub. L. 102-240 or by Federal transit laws in Title 49, US Code, or Titles I, II, and V of the TEAS-21, Pub. L. 105-178.

Section 26.5 Definitions

The City of Bowling Green will adopt the definitions contained in Section 26.5 for this program.

Section 26.7 Non-Discrimination Requirements

The City of Bowling Green will not exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR Part 26 on the basis of race, color, sex, or national origin.

In administering its DBE program, the City of Bowling Green will not, directly or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE program with respect to individuals of a particular race, color, sex, or national origin.

Section 26.11 Record Keeping Requirements

Uniform Report of DBE Awards or Commitments and Payments: 26.11 (a)

The City of Bowling Green will report DBE participation to the relevant operating administration using the Uniform Report of DBE Awards or Commitments and Payments found in Appendix B to the DBE regulation

Bidders List: 26.11(c)

The City of Bowling Green will create a bidders list, consisting of information about all DBE and non-DBE firms that bid or quote on DOT-assisted contracts. The purpose of this requirement is to allow use of the bidders list approach to calculating overall goals. The bidder list will include the name, address, phone, e-mail, DBE/non-DBE status, and services provided.

The City of Bowling Green's transit contractors/vendors will submit relevant DBE contracting information quarterly so that the information can be submitted to DOT.

Section 26.13**Assurances**

The City of Bowling Green has signed the following assurances, applicable to all DOT-assisted contracts and their administration:

Federal Financial Assistance Agreement Assurance: 26.13(a)

The City of Bowling Green shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of any DOT-assisted contracts or in the administration of its DBE Program or the requirements of 49 CFR part 26. The recipient shall take all necessary and reasonable steps under 49 CFR part 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts. The recipient's DBE program, as required by 49 CFR part 26 and as approved by DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the City of Bowling Green of its failure to carry out its approved program, the Department may impose sanction as provided for under part 26 and may, in appropriate cases, refer the matter for enforcement under 18 USC 1001 and/or Program Fraud Civil Remedies Act of 1986 (31 USC 3801 et seq).

This language will appear in financial assistance agreements with sub-recipients.

Contract Assurance: 26.13(b)

The City of Bowling Green will ensure that the following clause is placed in every DOT-assisted contracts and subcontract:

The contractor, sub-recipient, or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

Subpart B- Administrative Requirements

Section 26.21 DBE Program Updates

Since the City of Bowling Green has received a grant of \$250,000 or more in FTA planning, capital, and/or operating assistance in a federal fiscal year, we will continue to carry out this program until all funds from DOT financial assistance have been expended. We will provide to DOT updates representing significant changes in the program.

Section 26.25 DBE Liaison Officer (DBELO)

We have designated the following individual as our DBE Liaison Officer:

Marilyn Parrigin
City of Bowling Green
PO Box 430
Bowling Green, KY 42012
270-393-3679
marilyn.parrigin@bgky.org

In this capacity, the DBELO is responsible for implementing all aspects of the DBE program and ensuring that the City of Bowling Green complies with all provision of 49 CFR Part 26. The DBELO has direct, independent access to the Mayor of the City of Bowling Green concerning DBE program matters. An organizational chart displaying the DBELO's position in the organization is found in Attachment 1 to this plan.

The DBELO is responsible for developing, implementing and monitoring the DBE program, in coordination with other appropriate officials. The duties and responsibilities include the following:

1. Gathers and reports statistical data and other information as required by DOT.
2. Reviews third party contracts and purchase requisitions for compliance with this program.
3. Ensures that bid notices and requests for proposals are available to DBEs in a timely manner.
4. Identifies contracts and procurements so that DBE goals are included in solicitations (both race-neutral methods and contract specific goals attainment) and identifies ways to improve progress.
5. Analyzes the City of Bowling Green's progress toward attainment and identifies ways to improve progress.
6. Participates in pre-bid meetings.
7. Advises the City of Bowling Green Board of Commissioners on DBE matters and achievement.
8. Provides DBEs with information and assistance in preparing bids, obtaining bonding and insurance.
9. Plans and participates in DBE training seminars.

10. Certifies DBEs according to the criteria set by DOT and acts as liaison to the Uniform Certification Process in Kentucky.
11. Provides outreach to DBEs and community organizations to advise them of opportunities.
12. Maintains the City of Bowling Green's updated directory on certified DBEs.

Section 26.27 DBE Financial Institutions

It is the policy of the City of Bowling Green to investigate the full extent of services offered by financial institutions owned and controlled by socially and economically disadvantaged individuals in the community, to make reasonable efforts to use these institutions, and to encourage prime contractors on DOT-assisted contract to make use of these institutions. The City of Bowling Green will re-evaluate the availability of DBE financial institutions every 24 months.

To date we have not identified any such institutions.

Section 26.29 (a) Prompt Payment Mechanisms

The City of Bowling Green will include the following clause in each DOT-assisted contracts:

The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than 10 business days from the receipt of each payment the prime contract receives from City of Bowling Green. The prime contractor agrees further to return retainage payments to each subcontractor within 10 business days after the subcontractors work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the City of Bowling Green. This clause applies to both DBE and non-DBE subcontracts.

Section 26.29 (b) Retainage

The City of Bowling Green will include the following clause in each DOT-assisted contract:

The prime contractor agrees to return retainage payments to each sub-contractor within 10 business days after the subcontractor work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the City of Bowling Green. This clause applies to both DBE and non-DBE subcontracts.

Section 26.29(d) Monitoring and Enforcement

The awarding agency will review subcontractor payments from the prime contractor to ensure payments and retainage are being made within the required time frame.

Section 26.31 Directory

The City of Bowling Green will utilize the KY Transportation Cabinet DBE Directory. The Directory is available at: [KY State DBE Directory](#)

Section 26.33 Overconcentration

The City of Bowling Green has not determined that an overconcentration exists in the types of work that DBEs perform. The City will reevaluate this determination during the next thirty-six months.

Section 26.36 Business Development Programs

The City of Bowling Green has not established a business development program. The City will reevaluate this decision during the next thirty-six months.

Section 26.37 Monitoring and Enforcement Mechanisms

The City of Bowling Green will utilize the following monitoring and enforcement mechanisms to ensure compliance with 49 CFR Part 26:

1. We will bring to the attention of the KY Transportation Cabinet any false, fraudulent, or dishonest conduct in connection with the program, so that DOT can take the steps provided for in 26.109 (e.g., referral to the Department of Justice for criminal prosecution, referral to the DOT Inspector General, action under suspension and debarment or Program Fraud and Civil Penalties rules).
2. We will consider similar action under our own legal authorities, including responsibility determinations in future contracts. Attachment 3 lists the regulation, provisions, and contract remedies available to us in the events of non-compliance with the DBE regulation by a participant in our procurement activities.
3. We will also verify that work committed to DBEs at contract award is actually performed by the DBEs. This will be accomplished by reviewing the DBE listing and verifying that all information is correct.
4. We will keep a running tally of actual payments to DBE firms for work committed to them at the time of contract award.

Section 26.39 Small Business Participation

The City of Bowling Green will assist small business participation in DOT-assisted public works projects in the following ways:

1. Make RFPs/solicitations more attractive to small businesses
2. Unbundle contracts/bids (when appropriate)
3. Simplify or reduce bonding requirements (when appropriate)
4. Provide information to perspective bidders through our Bidder List database

Small Business outreach will be conducting in conjunction with bidding opportunities and information will be disseminated through any of following methods: fax, e-mail, newspaper, internet, or phone. Small Business Participation is a race neutral. Small Businesses will consider businesses with less than 15 employees as small businesses. The Small Business Program will begin after approval of the DBE plan by FTA and remain ongoing through the life of the current DBE plan.

Subpart C – Goals, Good Faith Efforts, & Counting

Section 26.43 Set-asides or Quotas

The City of Bowling Green does not use quotas in any way in the administration of this DBE program.

Section 26.45 Overall Goals

In accordance with Section 26.45 the City of Bowling Green will submit its overall goal to FTA by August 1 of each year. Before establishing the overall goal each year, City of Bowling Green will consult with relevant industry groups and government organizations to obtain information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and the City of Bowling Green efforts to establish a level playing field for the participation of DBEs.

Following this consultation discretionally we will publish a notice of the proposed overall goal, informing the public that the proposed goal and its rationale are available for inspection during normal business hours at the NCS Building for 30 days following the date of the notice, and informing the public that the City of Bowling Green and DOT will accept comments on the goals for 45 days from the date of the notice. The notice will be advertised through the City of Bowling Green's website and any of its sub-recipients' websites. The City of Bowling Green and its sub-recipients will attempt to advertise this notice by June 1st of each year. The notice will include the addresses to which comments may be sent and addresses, both physical and internet, where the proposal may be reviewed.

Our overall goal submission to DOT will include a summary of information and comments received during this public participation process and our responses.

The City of Bowling Green will begin using the overall goal on October 1 of each year, unless we have received other instructions from DOT. If a DBE goal is established for a project, the City of Bowling Green will begin using the goal by the time of the first solicitation for a DOT-assisted contract for the project.

Section 26.47 Goal Setting and Accountability

If the awards and commitments shown on the City of Bowling Green's Uniform Report of Awards or Commitments and Payments at the end of any fiscal year are less than the overall applicable to that fiscal year, we will:

- 1) Analyze the reason for the difference between the goal and the actual awards/commitments;
- 2) Establish opportunities and milestones to correct the problems in the analysis.

Section 26.49 Transit Vehicle Manufacturers Goals

The City of Bowling Green will require each transit vehicle manufacturer, as a condition of being authorized to bid or propose on FTA-assisted transit vehicle procurements, to certify that it has complied with the requirements of this section. Alternatively, City of Bowling Green may, at its discretion and with FTA approval, establish project-specific goals for DBE participation in the procurement of transit vehicles in lieu of the TVM complying with this element of the program.

Section 26.51(a-c) Breakout of Estimated Race-Neutral & Race-Conscious Participation

The breakout of estimated race-neutral and race-conscious participation can be found in Attachment 5 to this plan. This section of the plan will be updated annually when the goal calculation is updated.

Section 26.51(d-g) Contract Goals

The City of Bowling Green will use contract goals to meet any portion of the overall goal. Contract goals are established so that, over the period to which the overall goal applies, they will cumulatively result in meeting any portion of our overall goal that is not projected to be met through the use of race-neutral means.

We will establish contract goals only on those DOT-assisted contracts that have subcontracting possibilities. We need not establish a contract goal on every contract, and the size of contract goals will be adapted to the circumstances of each contract (e.g., type and location of work, availability of DBEs to perform the particular type of work).

We will express our contract goals as a percentage of the Federal share of a DOT-assisted contract.

Section 26.53 Good Faith Efforts Procedures

Award of Contracts with a DBE Contract Goal: 26.53(a):

In those instances where a contract-specific DBE goal is included in a procurement/solicitation, the City of Bowling Green will award the contract to a bidder who does not either: (1) meet the contract goal with verified, countable DBE participation; or (2) documents it has made adequate good faith efforts to meet the DBE contract goal, even though it was unable to do so. It is the obligation of the bidder to demonstrate it has made sufficient food faith efforts prior to submission of its bid.

Demonstration of good faith efforts (26.53(a) & (c))

The obligation of the bidder/offeror is to make good faith efforts. The bidder/offeror can demonstrate that it has done so either by meeting the contract goal or documenting good faith efforts. Examples of good faith efforts are found in Appendix A to Part 26.

The DBELO will be responsible for determining whether a bidder/offeror who has not met the contract goal has documented sufficient good faith efforts to be regarded as responsive.

The City of Bowling Green will ensure that all information is complete and accurate and adequately document the bidder/offeror's good faith efforts before we commit to the performance of the contract by the bidder/offeror.

Information to be submitted (26.53(b))

The City of Bowling Green treats bidders/offers' compliance with good faith efforts' requirements as a matter of responsiveness.

Each solicitation for which a contract goal has been established will require the bidders/offerors to submit the following information:

1. The names and addresses of DBE firms that will participate in the contract;
2. A description of the work that each DBE will perform;
3. The dollar amount of the participation of each DBE firm participating;
4. Written and signed documentation of commitment to use a DBE subcontractor whose participation it submits to meet a contract goal;
5. Written and signed confirmation from the DBE that it is participating in the contract as provided in the prime contractor's commitment and
6. If the contract goal is not met, evidence of good faith efforts.

Administrative reconsideration (26.53(d))

Within 14 days of being informed by the City of Bowling Green that it is not responsive because it has not documented sufficient good faith efforts, a bidder/offeror may request

administrative reconsideration. Bidder/offerors should make this request in writing to the following reconsideration official:

Transit Manager
304 E. Eleventh Ave Suite 2
Bowling Green, KY 42101

The reconsideration official will not have played any role in the original determination that the bidder/offeror did not document sufficient good faith efforts.

As part of this reconsideration, the bidder/offeror will have the opportunity to provide written documentation or argument concerning the issue of whether it met the goal or made adequate good faith efforts to do so. The bidder/offeror will have the opportunity to meet in person with our reconsideration official to discuss the issue of whether it met the goal or made adequate good faith efforts to do. The reconsideration official will send the bidder/offeror a written decision on reconsideration, explaining the basis for finding that the bidder did or did not meet the goal or make adequate good faith efforts to do so. The result of the reconsideration process is not administratively appealable to the Department of Transportation.

Good Faith Efforts when a DBE is replaced on a contract (26.53(f))

The City of Bowling Green will require a contractor to make good faith efforts to replace a DBE that is terminated or has otherwise failed to complete its work on a contract with another certified DBE, to the extent needed to meet the contract goal. We will require the prime contractor to notify the DBE Liaison officer immediately of the DBE's inability or unwillingness to perform and provide reasonable documentation.

In this situation, we will require the prime contractor to obtain prior approval of the substitute DBE and to provide copies of new or amended subcontracts, or documentation of good faith efforts.

If the contractor fails or refuses to comply in the time specified, our contracting officer will issue an order stopping all or part of payment/work until satisfactory action has been taken. If the contractor still fails to comply, the contracting officer may issue a termination for default proceeding.

Sample Bid Specification:

The requirements of 49 CFR Part 26, Regulations of the U.S. Department of Transportation, apply to this contract. It is the policy of the City of Bowling Green to practice nondiscrimination based on race, color, sex, or national origin in the award or performance of this contract. All firms qualifying under this solicitation are encouraged to submit bids/proposals. Award of this contract will be conditioned upon satisfying the requirements of this bid specification. These requirements apply to all bidders/offerors, including those who qualify as a DBE. A DBE contract goal of seven percent (7%) has been established for this contract.

The bidder/offeror shall make good faith efforts, as defined in Appendix A, 49 CFR Part 26 (Attachment 9), to meet the contract goal for DBE participation in the performance of this contract.

The bidder/offeror will be required to submit the following information: (1) the names and addresses of DBE firms that will participate in the contract; (2) a description of the work that each DBE firm will perform; (3) the dollar amount of the participation of each DBE firm participating; (4) Written documentation of the bidder/offeror's commitment to use a DBE subcontractor whose participation it submits to meet the contract goal; (5) Written confirmation from the DBE that it is participating in the contract as provided in the commitment made under (4); and (5) if the contract goal is not met, evidence of good faith efforts.

Section 26.55 Counting DBE Participation

We will count DBE participation toward overall and contract goals as provided in 49 CFR Part 26.55.

Subpart D- Certification Standards

Section 26.61-26.73 Certification Process

The City of Bowling Green will use the DBE directory that is managed by the KY Transportation Cabinet. All DBE firms must meet the Certification Process established by the KY Transportation Cabinet. The City of Bowling Green will review the KY Transportation Cabinet DBE Directory quarterly to review any updates and/or changes. For information about the certification process or to apply for certification, firms should contact:

DBELO
KY Transportation Cabinet
200 Mero Street
Frankfort, KY 40622
502-564-3601

Certification application information is found in Attachment 7 to this program.

Subpart E- Certification Procedures

Section 26.81 Unified Certification Programs

The City of Bowling Green is a member of a UCP at this time in partnership with the KY Transportation Cabinet. The City of Bowling Green will only count those DBE firms certified by the KY Transportation Cabinet.

Section 26.83 Procedures for Certification Decisions

Re-certification 26.83(a) & (c)

The City of Bowling Green will review the KY Transportation Cabinet DBE Directory quarterly to review any updates and/or changes. All recertification will be handled through the KY Transportation Cabinet.

“No Change” Affidavits and Notices of Change (26.83(j))

All DBE “No Change” Affidavits and Notices of Change will be handled through the KY Transportation Cabinet. The City of Bowling Green will review the KY Transportation Cabinet DBE Directory quarterly to review any updates and/or changes.

Section 26.85 Denials of Initial Requests for Certification

All Denials of Initial Request for Certification will be handled through the KY Transportation Cabinet. The City of Bowling Green will review the KY Transportation Cabinet DBE Directory quarterly to review any updates and/or changes.

Section 26.87 Removal of a DBE’s Eligibility

All Removals of a DBE’s Eligibility will be handled through the KY Transportation Cabinet. The City of Bowling Green will review the KY Transportation Cabinet DBE Directory quarterly to review any updates and/or changes.

Section 26.89 Certification Appeals

Any firm or complainant may appeal our decision in a certification matter to DOT. Such appeals may be sent to:

U.S. Department of Transportation
Office of Civil Rights Certification Appeals Branch
1200 New Jersey Avenue SE
West Building, 7th Floor
Washington, D.C. 20590

The City of Bowling Green will promptly implement any DOT certification appeal decisions affecting the eligibility of DBEs for our DOT-assisted contracts (e.g., certify a firm if DOT has determined that our denial of its application was erroneous).

Subpart F- Compliance and Enforcement

Section 26.109 Information, Confidentiality, Cooperation

The City of Bowling Green will safeguard from disclosure to third parties information that may reasonably be regarded as confidential business information, consistent with Federal, State, and local law. The Freedom of Information Act Exemption 4 and the KY Open Records Act, KRS 61.870-61.884 detail what public records are available for review and grant exemptions for confidential and proprietary information.

Notwithstanding any contrary provisions of state or local law, we will not release personal financial information submitted in response to the personal net worth requirement to a third party, other than the Department of Transportation, without the written consent of the submitter.

Monitoring Payments to DBEs

We will require prime contractors to maintain records and documents of payments to DBEs for three years following the performance of the contract. These records will be made available for inspection upon request by any representative of the City of Bowling Green or DOT. This report requirement also extends to any certified DBE subcontractor.

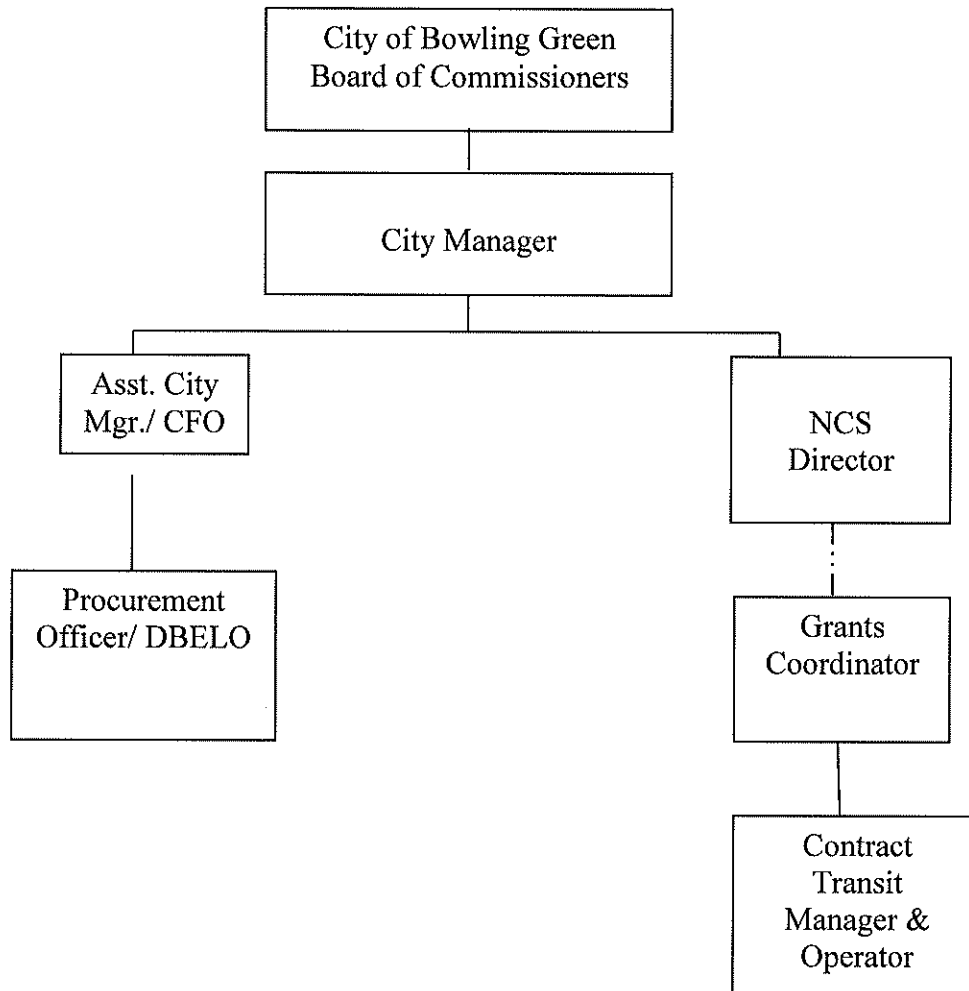

We will perform interim audits of contract payments to DBEs. The audit will review payments to DBE subcontractors to ensure that the actual amount paid to DBE subcontractors equals or exceeds the dollar amounts stated in the schedule of DBE participation.

About MTM

As one of the nation's most experienced and qualified non-emergency medical transportation (<https://www.mtm-inc.net/healthcare/nemt/>). (NEMT) brokers, MTM was founded in 1995 by Peg and Lynn Griswold. After realizing the difficulty health plans and government organizations had in arranging transportation services, the Griswolds were determined to develop a company that would ensure more people had access to healthcare. MTM quickly set industry standards and is now one of the largest and most established NEMT brokers, scheduling more than 20 million trips for 12 million members nationwide while handling 7.5 million calls every year.

In 2015, we celebrated our twentieth anniversary of removing community barriers. To this day, MTM remains a family owned and operated, privately held "S" corporation. Additionally, we are a Woman-Owned Business Enterprise (WBE) certified by the Women's Business Enterprise National Council that can help our clients meet their disadvantaged business participation goals. With headquarters in Lake St. Louis, Missouri, we operate in 31 states and the District of Columbia and maintain call centers and offices across the United States (<https://www.mtm-inc.net/locations/>).

Attachment 3

Monitoring and Enforcement Mechanisms

The City of Bowling Green has available several remedies to enforce the DBE requirements contained in its contracts, including, but not limited to, the following:

1. Breach of contract action, pursuant to the terms of the contract
2. Breach of contract action, pursuant to the laws of the Commonwealth of Kentucky
3. Breach of contract action, pursuant to Bowling Green Code of Ordinances

In addition, the federal government has available several enforcement mechanisms that it may apply to firms participating in the DBE program, including, but not limited to, the following:

1. Suspension or debarment proceedings pursuant to 49 CFR part 26
2. Enforcement action pursuant to 49 CFR part 31
3. Prosecution pursuant to 18 USC 1001.

Attachment 4

Overall Goal Calculation

Amount of Goal

1. The City of Bowling Green's overall goal for FY 2020-2023 is the following:
Our goal is to expend 2% of the Federal Financial assistance in DOT-assisted contracts.
*This goal is exclusive of any federal financial assistance for the purchase of vehicles.

Methodology used to Calculate Overall Goal

Step 1: 26.45(c)

First, the City listed and broke down the anticipated FTA funds for FY 20-23 into projects and appropriate six digit NAICS codes and, to more narrowly tailor its goal, gave weight to each by the percentage of total DOT funds. The projects are mostly related to the operation of the public transit system: Operating, Preventative Maintenance, and Paratransit. There are limited subcontracting opportunities as the capital projects are related to purchases for bus purchases, bus route software and hardware, bus radios, and digital bus signage.

Then, the City listed the total number of Ready, Willing, and Able (RWA) DBE firms for each applicable NAICS code and total RWA firms by NAICS code in the local market area. The local market area is Bowling Green, Warren County, Kentucky. However, due to a limited number of DBEs in the local market area, the City includes all of Kentucky within its local market area methodology. RWA DBE firms are derived from the Kentucky Transportation Cabinet's 2020 Statewide DBE Directory and RWA firms are derived from the U.S. Census 2017 County Business Patterns NAICS data for Kentucky.

The relative availability of DBEs was calculated as follows:

Relative Availability of DBEs = Ready, willing, and able DBEs/ All firms ready, willing and able

Relative Availability of DBEs = 2 RWA DBE Firms/ 1,093 RWA Firms
Overall Availability of DBEs = .18 %

The data source or demonstrable evidence used to derive the numerator was:
KY Transportation Cabinet 2020 Statewide DBE Directory: 2

The data source or demonstrable evidence used to derive the denominator was:
U.S. Census 2017 NAICS Kentucky County Business Patterns: 1,093

When we divided the numerator by the denominator, we arrived at the overall availability of DBEs, .18%.

Finally, we multiplied weight by availability which gave us our rounded, weighted base figure of 4%. The City utilized the enclosed FTA provided Base Figure Worksheet for establishing the DBE Goal and Methodology.

Step 2: 26.45(d)

After calculating a base figure of the relative availability of DBEs, the City examined all available evidence to determine if an adjustment to the base figure is needed before arriving at its overall goal. Due to the limited capacity of DBEs to perform work in the City's DOT-assisted contracting program, as measured by the volume of work DBE's have performed in recent years, the City determined that an adjustment to the base figure is needed before arriving at its overall goal.

Past DBE Goal Attainments

Historical DBE participation attainments provided in the table below is demonstrable evidence of DBE Availability and capacity for projects. The projects anticipated to be awarded during the triennial period are substantially similar to those awarded in the recent past. Go bg Transit proceeded to calculate past DBE participation attainments for the three federal fiscal years, for which DBE attainment data is available. The table below reflects the demonstrated capacity of DBEs (measured by actual historical DBE participation attainments) on FTA-assisted contracts.

Table Federal Fiscal Year (FFY)
FTA DBE Goal

Attainment Year	Percentage Attained
2018	0%
2019	0%
2020	0%

Median DBE attainment within the last three (3) years
0.0%

The median established for the past years is lower than the Base Figure derived from Step 1; therefore, an adjustment to the Base Figure based on Go bg Transit past DBE goal attainments has been made. The adjustment is calculated in accordance with FTA guidance by averaging the Base Figure with the median DBE Past Attainment, as shown below.

Base Figure is 4%
Median DBE Attainment 0.0%
Adjusted Base Figure $[(A+B)/2]$ 2.0%

Proposed Overall DBE Goal

The Final Proposed Overall DBE Goal FFY 2021-2023 for FTA-assisted contracts is 2.0%. The DBE Goal based on the federal share is a Race Neutral goal and Go bg Transit will implement race neutral measures to achieve this goal, as generally described in the

following section. As a part of the prescribed goal-setting methodology, GO bg Transit must project the percentage of its Proposed Overall DBE Goal that can be met utilizing race-neutral and race-conscious measures.

Public Participation

Initial Goal Submitted July 2017

We published our goal information in these publications:

City of Bowling Green and Community Action of Southern Kentucky dba/ GO bg Transit websites.

We received comments from these individuals or organizations:

No Comments Received.

Summaries of these comments are as follows:

No Comments Received

Our responses to these comments are:

No Responses Sent.

Note: The City of Bowling Green and GO bg Transit strives to obtain and include minority and women contractors. Currently there are no construction projects funded or being bid by the City.

Past projects have included construction of bus shelters including grade work, concrete work and setting the shelters. Mick Murf Construction has been the primary contractor bidding and being awarded this work in a competitive bid. Mick Murf is a Certified DBE. Staff solicit prices and bids from DBE firms for other purchases on a regular basis.

The City of Bowling Green and GO bg Transit will continue to utilize the Kentucky Procurement Technical Assistance Center, The Federal Transit Administration Best Practices Purchasing Manual, The Kentucky Certified DBE list, The North American Industry Classification System List and other applicable list, trainings, webinars and updates in striving to meet DBE goals.

In 2007 Community Action of Southern Kentucky dba GO bg transit was awarded as the Outstanding Transit System for Utilization of Disadvantaged Business Enterprises by a public transit in the state of Kentucky by the Kentucky Transportation Cabinet.

Revised Goal Submitted February 2020

Please be advised that public participation in the initial goal submittal was limited to posts on the City and public transit contractor's website. Please be advised that, due to a 30-day time period allotted by FTA for submittal of the revised goal, public consultation did not occur prior to submitting the revised DBE goal methodology to FTA for approval. Please be advised that moving forward the City's public participation and facilitation process will include direct interactive exchanges as required by the regulations. This will

be implemented through the GO bg Transit Advisory Committee. Due to turnover in management at the City's transit service contractor, this committee has remained inactive for the past couple of years. However, in 2020 the committee became active again, now meets regularly and will serve as the proper venue for public participation.

Step 1 - Determine the weight of each type of work by NAICS Code:

* Enter all the FTA-assisted projects below. Project amounts should be assigned relevant NAICS Code(s).

	NAICS Code	Project	Amount of DOT funds on project:	% of total DOT funds (weight)
1)	485591	Preventative Maintenance	\$1,993,072.56	0.2035
2)	485113	Fixed Route Services	\$2,847,540.23	0.2907
3)	485991	Para Transit Services	\$1,067,477.93	0.1090
4)	541618	Planning Software	\$55,000.00	0.0056
5)	336211	Light Duty Bus Purchase	\$3,632,910.00	0.3709
6)	423430	Hardware and Software	\$200,000.00	0.0204
7)				0.0000
8)				0.0000
9)				0.0000
10)				0.0000
11)				0.0000
12)				0.0000
13)				0.0000
14)				0.0000
15)				0.0000
16)				0.0000
17)				0.0000
18)				0.0000
19)				0.0000
20)				0.0000
21)				0.0000
22)				0.0000
23)				0.0000
24)				0.0000
25)				0.0000
26)				0.0000
27)				0.0000
28)				0.0000
29)				0.0000
30)				0.0000
31)				0.0000
32)				0.0000
33)				0.0000
34)				0.0000
35)				0.0000
Total FTA-Assisted Contract Funds			\$9,796,000.72	1

Step 2 - Determine the relative availability of DBE's by NAICS Code:

* Use DBE Directory, census data and/or a bidders list to enter the number of available DBE firms and the number of available firms.

	NAICS Code	Project	Number of DBEs available to perform this work	Number of all firms available (including DBEs)	Relative Availability	
1)	485591	Preventative Maintenance	0	878	0.0000	
2)	485113	Fixed Route Services	1	7	0.1429	
3)	485991	Para Transit Services	1	44	0.0227

Breakout of Estimate Race-Neutral & Race-Conscious Participation

The City of Bowling Green will meet the maximum feasible portion of its overall goal by using race-neutral means of facilitating DBE participation. The City of Bowling Green uses the following race-neutral means to increase DBE participation.

- Provide application information to interested parties.
- Review the KY Transportation Cabinet DBE Directory for changes and updates.
- Publish DBE goal and receive comments.

Currently the City of Bowling Green does not have sufficient data to support utilizing race-conscious participation. On this basis, we estimate that, in meeting our overall goal of 2%, we will obtain 100% from race-neutral participation and 0% through race-conscious measures.

In order to ensure that our DBE program will be narrowly tailored to overcome the effects of discrimination, we will adjust the estimated breakout of race-neutral and race-conscious participation as needed in contract goals to reflect actual DBE participation, and we will track and report race-neutral and race conscious participation separately.

For reporting purposes, race-neutral DBE participation includes, but is not necessarily limited to, the following.

- DBE participation through a prime contract a DBE obtains through customary competitive procurement procedures.
- DBE participation through a subcontract on a prime contract that does not carry DBE goal.
- DBE participation on a prime contract exceeding a contract goal.
- DBE participation through a subcontract from a prime contractor that did not consider a firm's DBE status in making the award.

Attachment 6
Forms 1&2 for Demonstration of Good Faith Efforts

Form 1
DBE Utilization

The undersigned bidder/offeror has satisfied the requirements of the bid specification in the following manner (please check the appropriate space):

Attachment 10

Public Notice

Notice is hereby given, pursuant to 49 C.F.R. 26.45 that the City of Bowling Green and its transit provider, Community Action of Southern Kentucky, proposed an overall goal of 2% for Disadvantaged Business Enterprises participating in U. S. Department of Transportation Federal Transit Administration (FTA) assisted contracts for FY 2021– FY2023.

The public notice can be found at the following link: www.bgky.org/transit

Please find enclosed a screen shot from the above link as evidence of that the proposed overall goal was posted on the City's website.

Bowling Green Public Transit Program

Bowling Green Public Transit Program

After the 2000 U.S. Census, the City of Bowling Green became designated as an Urbanized Area. This designation made the City eligible to receive annual public transit funding from the Federal Transit Administration. Since 2003, the City has contracted with Community Action of Southern Kentucky dba GO bg Transit to provide fixed route transit service in the community. Fixed route bus services are open to the general public and available Monday through Friday beginning at 6:00am and ending at 5:00pm due to COVID 19. Please note due to COVID 19 Route 5 and

Title VI Complaints

Any individual, group of individuals or entity that believes they have been subjected to discrimination prohibited under Title VI and related statutes may file a complaint. Please see below Title VI Complaint Procedures & Complaint Form.

Title VI Complaint Procedures & Complaint Form (<https://www.bgky.org/files/4g0JGNC5.pdf>)

Language Access Services

To ensure that limited English proficient (LEP) constituents have equal access, the City of Bowling Green has taken a pro-active step by providing a number of services throughout all City Departments. Services include telephone interpretation, in-person interpretation, vital documents translation, and training of City employees.

More information on these services can be found at: <https://www.bgky.org/ncs/icl> (<https://www.bgky.org/ncs/icl>)

Disadvantaged Business Enterprises (DBE)

The City of Bowling Green established a Disadvantaged Business Enterprise (DBE) program in accordance with regulation of the US Department of Transportation (DOT), 49 CFR Part 26. As a condition of receiving Federal financial assistance from DOT, the City of Bowling Green has signed assurance that it will comply with 49 CFR Part 26. Below is the City of Bowling Green DBE program Policy Statement (<https://www.bgky.org/files/STuOasg1.pdf>). The City of Bowling Green will use the DBE directory that is managed by the KY Transportation Cabinet. All DBE firms must meet the Certification Process established by the KY Transportation Cabinet.

DBE Goal: Notice is hereby given, pursuant to 49 C.F.R. 26.45 that the City of Bowling Green and its transit provider, Community Action of Southern Kentucky, proposed an overall goal of 2% for Disadvantaged Business Enterprises participating in U. S. Department of Transportation Federal Transit Administration (FTA) assisted contracts for FY 2021 – FY2023.
