We believe the inclusion of individuals with different abilities in leisure and recreation is not something that is optional; yet it is essential to overall community quality of life and well-being. The recreation experience for those with different abilities allows for them as individuals an opportunity to pursue new goals and hobbies, putting on display the abilities beyond their disability. Ultimately, our division strives to show the Bowling Green community the abilities in ALL individuals.

BOWLING GREEN PARKS
MEMORIAL TREE PROGRAM

The Memorial Tree Program offers the opportunity to remember a loved one or to honor someone while enhancing the beauty of Bowling Green’s Parks and Cemeteries with the planting of a tree.

HOW IT WORKS
To participate in the program an individual selects the Program Option best suited to them and indicates the park or cemetery in which they would like the planting to occur. The Parks Arborist, together with the Cemetery Manager and Maintenance Manager, will provide information about available planting sites and proper tree selection for the chosen location. The City staff will work to provide options that best suite the request while conforming to the City’s horticultural plans.

TREE SELECTION AND PLANTING LOCATIONS
Bowling Green Parks and Cemeteries strive to maintain a healthy and diverse urban forest with long range goals for its success in mind. Tree selections and planting locations are chosen based on the horticultural needs of the tree, the site conditions, and appropriateness for placement in the City’s urban forest and public areas. These factors determined by the Parks Arborist ensure that your memorial planting will continue to thrive for many years to come.

OPTIONS
- New Tree Planting with Memorial Plaque—For a sum of $250 a new tree will be planted in memory of your loved one. An engraved 10”X12” gray granite marker will be placed at the base of the tree.
- New Tree Planting—For a sum of $200 a new tree will be planted in memory of your loved one.
- Adopt an Existing Tree with Memorial Plaque—For a sum of $125 an engraved 10”X12” gray granite marker will be placed at the base of an existing tree.

WARRANTY
All options include a 10 year warranty for trees and limited warranty for granite markers. Any plaque or other marker not purchased by the City as part of the Memorial Tree Program is not warranted by the City in any way.
