EMPLOYEE *Spotlight*

Dara Price is a Construction Coordinator I in our Planning & Design division. She has been with the City for a little over 2 years.

Get to Know You:

- **Favorite Movie:** American Outlaws
- **Favorite Food:** Meatloaf
- **Favorite Place to Travel:** The Beach
- **Favorite Quote:**
"Life is hard - get a helmet."

One Fun Fact About Me:

"I genuinely enjoy feeding people. Whether it's baking treats or preparing meals, I find it incredibly fulfilling to create food that brings others joy."

Personal Message to our team from Dara:

"I want to sincerely thank each of you for your constant support and for being such an amazing team to work with. I truly value the family atmosphere we have—it's clear that we genuinely care about one another, and that's something you don't find everywhere. I'm grateful to be part of such a positive and encouraging workplace."

GoBG Transit Bus Shelters

Planning and Design (P&D) has been working with GoBG Transit and Neighborhood and Community Services (NCS) on a project to provide four (4) new bus shelters around the city. The project includes improvements to existing GoBG bus stops to provide pedestrians protection from the elements while waiting for transit. Civil Engineer Trevor Cline has worked closely with Jake Moore at NCS in developing the plans and specifications for the new shelter and construction bids are expected in early February. Three of the four locations are in public right-of-way along Pedigo Way, Campbell Lane and Center Street near the GoBG Transit Center. The fourth location is at the Greenwood Mall.

Project Updates

Butler County Landfill: BGPW staff (Lawhon, Waggoner, and Cline) conducted ERT survey work at the Butler County Landfill to support the new cap design. Engineers from GAI will be on site in February for geotechnical drilling.

AST FY26: Construction Coordinator 1 Journee Nickson and Environmental Manager Matthew Powell will attend the February 17th BOC meeting to approve the purchase of 7 new Above Ground Storage Tanks (ASTs).
