

The 2024 Bowling Green Human Rights Commission

31st Annual "Women of Achievements Awards"

March 16, 2024

Nomination Information of Honorees

Women's History Month annually highlights the contributions of women to events in history and in contemporary society. As we celebrate the 31st anniversary of our "Women of Achievement Awards," we declare this year to stand even stronger than we have in the past.

The 2024 Honorees represent many diverse backgrounds, each having made her mark in different fields. Additionally, the work and influence of each Honoree have made a profound and positive impact on our community and have paved the way for generations of women to follow.
