

CITY OF BOWLING GREEN FIREWORKS USE RESTRICTIONS

LEGEND

- PROHIBITED
- VERIFY SITE COMPLIANCE
- COUNTY JURISDICTION

The Kentucky Revised Statutes and the applicable City ordinance provide that consumer fireworks as defined in KRS 227.702(2) and (3) shall not be ignited within two hundred (200) feet of any structure, vehicle or any other person. This map is only intended to present approximate areas in the City of Bowling Green where the use of consumer fireworks as defined in KRS 227.702(2) and (3) can be used or ignited in the City as it relates to distances to structures. The map is limited by available map data and may not be consistent with current field conditions in some locations. It is the responsibility of persons using or igniting fireworks to ensure any use of the fireworks is compliant with City ordinance and state law.

This map is for general informational purposes only and is not suitable and should not be relied upon for legal, engineering or surveying purposes. This product does not represent or constitute a Land Survey. While efforts have been made to ensure that this map is accurate and reliable, the City of Bowling Green does not assume liability for any damages caused by errors or omissions. This map shall not be used in the defense of any persons charged with violating state law or City ordinances relating to the use or igniting of fireworks.
